CORAM: F.I. REBELLO &
ANOOP V. MOHTA, JJ.

DATED: 27TH MARCH, 2006

P.C. :

. This is a Petition by Bank. Two Appeals were disposed of being Appeal No.42 of 2003 and Appeal No.62 of 2003. The Petition challenges the award of grant of interest. We find that there are two concurrent findings of fact on that count. The petitioners have been granted quarterly interest after the date of the judgment. This could not have been done. In these circumstances, as respondents have not challenged the orders, in our opinion, this would not be a fit case where we should exercise our extra ordinary jurisdiction

considering that the petitioners have also benefitted from grant of quarterly rests.

2. Considering the above, no interference. Petition rejected.
